

To grow revenues and customer loyalty today's LBM dealers are offering installation services – and now there is a solution that helps operate profitably

## A Complete Solution to Drive Your Business

RenoWare is a comprehensive, business management software solution built specifically for Installed Sales programs of all sizes. Designed to compliment Point of Sale systems, increasing staff efficiency with professional, legal documents with proven processes and procedures.

## Benefits

- Reduce complexity, and makes it easier to get the job done
- Organize and track your installation business with ease, setting up project types, default GM%'s
- Variable payment schedules, set your own defaults
- Track customers, jobs, installers details with ease
- Easily meet your local and state tax requirements on sell or cost
- Manage profitability by comparing estimated and actual costs by job (material, labour, misc.), project type and sales person
- Open architecture allows customization to suit your business needs
- Multiple users on a simple Windows Network with one data base

Renoware ----->>> Welcome Admin - [Project Templates - DoorSet, DoorSet]

Project Templates Edit

Find Template:

**Project Description** **Labor / Material** **Template Tasks** **Template Options**

Template ID: Max 10 characters, letters/numbers, upper/lower case [DoorSet]

Project Type:

**Notes**

Notes Guidelines: Double click to edit

- Add customer address
- How long do they plan to stay in house; determines amount they may invest
- Maintenance free concerns
- Colour
- Hardware: lock, peep-hole, dead-bolt

**Entry System**

Remove and replace existing exterior door in wood framed wall includes:

- Door
- Frame
- Glass
- Gasket
- Interior Weathering
- Deliver new door to job site
- Remove existing door, inspect opening to ensure proper installation of new door, insulate inner wall and new door to manufacturer's specifications to ensure a solid security
- Install with new weatherstripping and check interior as close to existing trim as possible to stop of insect/bird entry. Weatherstripping is included on exterior, interior

**Material**
